## Fair Assessment Policy

We recognise that the needs and commitments of our customers have the potential to change and as such we will need to be flexible in the way we continue to offer our teaching, learning and assessment services.

Our Transfer Policy therefore exists to provide our customers and potential customers with clear guidance on how and when course transfers (e.g. deferring attendance to a later course instance) will be accepted, including any additional fees that may apply.

We are committed to ensuring that all advertised courses run as scheduled and that we are able to continue to provide the high-standard of training that has become synonymous with our brand. Additionally, at the heart of our mission statement is 'affordability', and we are dedicated to ensuring that we can continue to keep our course prices competitive. In order to achieve this objective however, it is essential that we can plan in

advance, and ensure that all reserved places for students on our courses are used as originally planned.

In case of a learner 'Referring' on their assessment, the following charge is associated with the booking of a re-assessment.

€195 per learner per assessment.

You assessor will discuss with you the management of payment and the booking of your assessment.
